Plan Eligibility

Policy-covered PSS and MSP employees as well as exclusively represented employees in the Clerical and Allied Service unit (CX), Research and Public Service Professionals unit (RP), and Student Services and Advising Professionals (SV), are eligible for STAR Plan cash awards if, at the time of the award, they:

- Have successfully completed their probationary period, if applicable;
- Are on active pay status or on an approved unpaid leave; and,
- Are current on all required training; and,
- Received a "Successfully Meets Performance Expectations" or better overall rating on their most recent annual performance evaluation. (PPSM 23 and the collective bargaining agreement between UC and the Teamsters require that written performance evaluations be completed annually.) Employees who have not yet received an annual performance evaluation may be eligible for an award if their manager confirms on the nomination form that they are "successfully meeting performance expectations."

The following types of appointments are eligible to participate in STAR at this location, provided that they meet the above requirements: career, partial year career, contract, per diem and limited.

All other exclusively represented employees, casual-restricted students and Senior Management Group (SMG) members are not eligible for recognition awards under the STAR Plan. An employee may not receive an award under the STAR Plan if the employee is a participant in an incentive award plan that prohibits the receipt of a recognition award.

An employee's receipt of an award under the STAR Plan does not establish any right or guarantee that the employee will be eligible for or entitled to an award in any subsequent plan year.

Award Limits and Restrictions

The following limitations apply to STAR Plan cash awards. No exceptions will be made to the monetary award limits.

- STAR Plan cash awards are strictly discretionary and may not be promised or guaranteed in advance.
- STAR awards may not be provided for work that has been compensated for via stipend.
- No single STAR Plan cash award may exceed 10% of the employee's base salary or \$10,000, whichever amount is lower.
- Cumulative STAR Plan cash awards paid to an employee in a plan year may not exceed 10% of the employee's base salary or \$10,000, whichever amount is lower.
- "Across-the-board" type awards (e.g., awards to a category of employees without regard to a recipient's performance or relative contribution) are not allowed under the STAR Plan. Awards must be based on the recipient's achievement as an individual or as part of a team.

Nomination Process

All STAR Plan award nominations must be documented on the STAR Nomination Form to ensure consistent and thorough recordkeeping.

- **Individual Award Nominations**

Awards should be provided as close as possible to the event or achievement to provide immediate recognition for employees. Individual employees may be nominated for STAR awards based on one or more of the performance standards set forth in the STAR Plan and outlined below in Plan Criteria. Input will be required from the employee's manager/supervisor if someone other than the employee's manager/supervisor is nominating the employee. In all cases the performance standard and/or UCR strategic objective(s) supported by the employee's efforts should be detailed in the nomination.

- **Team Award Nominations**

Team Awards may be granted to teams of eligible employees who meet one or more of the performance standards set forth in the STAR Plan and outlined below in Plan Criteria, for work on a project within the same department or for work on the development and/or implementation of inter-departmental projects. Input will be required from the team leader and each employee's supervisor/manager if someone other than the manager/supervisor is nominating the team. In all cases the performance standard and/or UCR strategic objective(s) supported by the team's efforts should be detailed in the nomination. Participation on a team does not waive eligibility requirements. Team members who are not eligible for STAR may be provided a non-cash recognition award.

The employee's department head is responsible for confirming that the employee is eligible for an award and must approve the employee's award.

Award Criteria

The STAR Plan provides a mechanism to recognize, acknowledge and reward employees for exceptional performance and/or significant contributions related to and supportive of individual, departmental, divisional and or organizational goals and objectives. Individuals and teams may be nominated for demonstrating:

- **Exceptional performance:** Demonstrated and sustained exceptional performance that consistently exceeds goals and work expectations in quantity and/or quality.
- **Creativity:** One-time innovation or creation that results in time/dollar savings, revenue enhancement, and productivity improvement; and/or ongoing innovative/creative activities that benefit organizational systems, protocols, and/or procedures
- **Organizational abilities:** Exhibiting extraordinary skills in leadership resulting in the accomplishment of significant departmental or divisional goals and objectives; effective project management, which could include developing a project and/or implementing a project with substantial success; and/or demonstrating organizational capability leading to a greater level of effectiveness.
- **Work success:** Significantly exceeding productivity, customer service, quality of care or similar goals, including demonstrating superior interactions with managers, peers, supervisors, subordinates, the University community, and/or clients and customers served.
- **Teamwork:** Acting as an exceptionally effective and cooperative team member or team leader for a team that has significantly exceeded the goals/objectives of the department/unit.
- **UCR Strategic Plan:** Every STAR award should support and further the accomplishment of UCR's strategic goals. Nominations for Managers (MGR 1-4) should align with goals set forth in the campus strategic plan.

Award Review and Approval Authority

The process for all STAR Plan cash awards requires endorsement of the employee's immediate supervisor and approval of the next level manager; awards over \$500 require department head approval. Organizational units may establish additional levels of review for approval. Awards which exceed \$5,000 cumulative during the plan year must be approved by the Chancellor (or designee) and campus Chief Human Resources Officer.

Timing and Processing of STAR Award Payment

STAR awards may be presented at any time during the plan year and should be awarded as soon as possible after the accomplishment or event in order to provide immediate recognition to employees.

The assigned Earn code **XSC** - Star / Spot Award Central, must be used when paying awards to employees. Payments should be processed via the One-Time Payment tool. All STAR Plan cash awards for the plan year should be processed in accordance with year-end closing schedules.

Funding Requirements and Restrictions

UCR STAR awards will be funded centrally. The budget allocation is based on each organizational unit's proportion of payroll for eligible staff, prorated by FTE, at the beginning of the plan year. Awards may not be supplemented by departmental, division or college funds. Unused funds assessed during the previous year may be rolled over and used in the current year. Organizational units may only provide STAR awards within their allocated budget for the plan year. In the event of an unexpected overage, the amount over will be deducted from the next year's budget allocation.

Recordkeeping and Compliance

Documentation concerning nominations and approved awards must be maintained by each organizational unit. The Office of the President will conduct periodic audits to ensure that locations are in compliance with the STAR Plan. Copies of documentation must be made available to Campus Human Resources upon request. Chief Financial and Administrative Officers (CFAO) and Human Resources Business Partners (HRBP) are jointly responsible for monitoring and encouraging fund usage for their organizational units. Campus Human Resources will conduct periodic review of STAR Award use, and seek feedback from Campus stakeholders regarding the effectiveness of the program.
