New Course! [Franklin Covey's Multipliers](#)
How the Best Leaders Ignite Everyone's Intelligence

Tuesday, May 3 – Thursday, May 5, 2022

Learn how to be the kind of leader who brings out the best in people, a leader who expects great things from those they work with, and who drives them to achieve extraordinary results. Topics include Look for Genius, Offer Bigger Challenges, and more. To register, please visit the [UC Learning Center \(UCLC\)](#).

[Franklin Covey's Unconscious Bias: Understanding Bias to Unleash Potential](#)

May 10 – 11, 2022 | 9:00 a.m. – 3:00 p.m.

Unconscious biases are how our brains compensate for overload which can inhibit performance and lead to poor decision-making. Franklin Covey's Unconscious Bias will teach you how to be aware of and address biases so you and your team can thrive, increasing performance and engagement. To register for this course, please visit the [UC Learning Center \(UCLC\)](#).

[Franklin Covey's 6 Critical Practices for Leading a Team](#)

May 24 – 26, 2022 | 10:30 a.m. – 3:00 p.m.

Discover how to empower your team members by holding a coaching mindset, giving effective feedback, and applying key coaching skills in a compelling framework. This 2-day workshop will equip you with the skills and tools you need to be an even better leader and manager of your team. To register for this course, please visit the [UC Learning Center \(UCLC\)](#).

Support in an Uncertain World: What Your Employees Need Today

Thursday, April 14, 2022 | 12:00 p.m.

From an ever-changing pandemic environment to the worsening crisis in Ukraine, uncertainty and stress are at an all-time high. Meanwhile, day-to-day challenges persist, from physical and mental health to rising costs and safety concerns. Now, more than ever, organizations need to approach employee support simply and holistically, while also embracing opportunities to demonstrate their corporate resiliency.

In this session, ComPsych Executive Vice President Dale Grenolds and Aon Assistant Vice President - Health Transformation Denise Heybrock will discuss post-pandemic priorities, macro well-being issues, and emerging trends that need to be addressed by organizations, and identify optimal ways to support and deliver care for employees and their families during these unprecedented times.

To attend this workshop, please register at the [ComPsych webinar registration webpage](#).

For questions or topics you would like ComPsych to cover during this or a future session, please contact webinars@compsych.com.
