This mandatory fee is a per unit charge fee that supports the strategic investment in technology to enhance student \$7.00/Unit engagement and promote active, participatory learning. This fee is non-refundable after the conclusion of the add/drop

International Undergraduate Student Quarterly Fee

period.

The fee enables us to offer various services to our international students, such as helping them with student visas, advising them on international student issues, assisting them to adapt to academic life at UC Riverside, and \$150.00 complying with federal laws. The fee also covers the expenses of dealing with the growing and complicated government rules and reporting obligations and improves the quality of service for the international undergraduate student community by lowering the number of students per advisor.

## **Campus Fees**

UCR Campus Fees are subject to fluctuate year-to-year. These are voted by students via referendums to fund campus initiatives supporting student engagement and campus life.
